The recent "hard times" have made people cut off expenses.

This has encouraged the invasion of "cheap" baking powder—baking powder which sells for a small price, but which either does not do the work, or is bad for the insides, or both.

Honest baking powder cannot be made to sell for 25 or 30c. a pound. There are a few honest baking powders at higher prices. Of these *Schilling's Best* is the right one, partly because it goes farthest.**The Yokohama Specie Bank**

ST. ANDREW'S CHRISTMAS.

Santa Claus Visits the Children of the Second Congregation.

The Christmas tree program in the Sunday school room of St. Andrew's cathedral last evening was simple, yet complete and enjoyable. It began about 6 o'clock and was over at 7. A. T. Atkinson officiated as Santa Claus, and Miss Flossie Hill as Mother Goose.

At the hour for opening the children of the Sunday school marched into the hall. The sight before them was one they will long remember. In the middle of the room stood the beautiful tree, decorated, brilliantly lighted, filled with presents, and reaching from the floor to the ceiling.

Palm leaves and maile almost hid the ceiling and side walls, and were arranged over the platform in rear of the room and the door in front. Japanese lanterns were suspended in arches below the ceiling. The light from so many produced a very fine effect.

After the singing of a Christmas carol by the school children, the presents were distributed. Everybody received something. Every child was supplied with candy for a week, and from the noise created later, several horrible horns and screeching instruments must have gone with each package.

And the Tree Will Live.

"From all the talk one would suppose that the small, low tree in Vineyard street was a grove of magnificent live oaks, with fine trunks of poetic Spanish moss hanging from every bough, or an acre of dead pines on Broadway. The tree is harmless, is dear to the people of the street, and we all wish it to remain there. It occurs to us that the kickers against the tree see and know it from the car windows as they pass to and from town. They have trees in Nuuanu Valley, lots of them, and why can they not leave us alone in our affection for the one landmark which has been for years a part of our life?"

A resident of Vineyard street spoke these words last night. He is a taxpayer and a good citizen, who knows the sentiments of the people in his neighborhood. At any rate the residents of the street shall have the tree, kick or no kick from newspapers and out siders.

Miss Kanoho Joins the Band.

Miss Kanoho, the young lady who sang so acceptably at Emma square Monday evening, is now practically a member of the Hawaiian band. She has been engaged as soloist for stated occasions and will receive a salary from the Government. The special training for the position she now holds took three months. Prof. Berger was her tutor.

Sounds of Makee Island.

Matilda Walker has composed a new piece of music. It is entitled, "Sounds of Makee Island," and has special reference to the sacred concerts at that place. The original has been turned over to Prof. Berger and the music will be played at Makee Island next Sunday afternoon.

Next Monday's Musical.

The Y. M. C. A. orchestra had another rehearsal last evening. All the members were present. The numbers taken up will be given at the public musical next Monday evening. On that occasion there will be, besides the program of the orchestra, a number of specialties by popular talent of the city.
